Dear Suzanne

H&S Commercial Components support for IMI Awards Ltd (IMIAL) submission of Technical qualifications for inclusion in the Key Stage 5 performance tables

This letter is to provide employer and professional support for the submissions by IMI Awards Ltd to the Department for Education (DFE) for the following qualifications for inclusion in the Key Stage 5 school and college performance tables.

QAN If available	Qualification Title	Technical Certificate or Tech Level
	IMIAL Level 2 Certificate in Heavy Vehicle Maintenance	Technical Certificate
	IMIAL Level 3 Diploma in Heavy Vehicle Maintenance	Tech Level

H&S Commercial Components believes the content of these qualifications deliver the core specialist knowledge and skills required by the *heavy/commercial vehicle* sector, and therefore support the needs of employers within the industry by creating the basis of high quality, skilled work force. These qualifications will provide students, aged 16years plus, with an advantage when applying for related jobs, apprenticeships, and other further or higher level qualifications related to the sector. Therefore in H&S Commercial Components' view, there is a definite need for these qualifications to be made available on the Key Stage 5 performance tables to allow learners interested in a career in the sector to develop, progress and in the future, secure a job role.

Yours sincerely

Henry Forde
