Vauxhall Motors believes these qualifications underpin the core specialist knowledge and skills required by the automotive sector, and therefore support the needs of employers within the industry by creating the basis of high quality, skilled work force. These qualifications will provide students with an advantage when applying for related jobs, apprenticeships, and other further or higher level qualifications related to the sector. Therefore in Vauxhall Motors view, there is a definite need for these qualifications to be made available on the Key Stage 5 performance tables to allow learners interested in a career in the automotive sector to develop, progress and in the future, secure employment.

Yours sincerely,

Chris Roberts
