A SHARED PASSION FOR THE INDUSTRY

IMI Awards is a UK-based awarding body, specialising in the retail motor industry. Working closely with expert working groups ensures our qualifications and accreditations are relevant and sector-specific. IMI Awards also independently verify and quality assure training programmes through our Quality Assured Awards (QAA).

Recognised by governments and education authorities around the world, IMI Awards currently operate in the United Kingdom, Ireland, Italy, Cyprus, Egypt, Lebanon, Saudi Arabia, The UAE, Cayman Islands, China, Indonesia, Malaysia and Thailand.

As the market leader, we partner with more than 550 schools, colleges and training providers to offer over 200 qualifications and accreditations. We recognise and support the skills of over 90,000 young and adult learners each year.

We take pride in our IMI Awards approved centre status. This important recognition endorses the qualitative approach the EDI adopts across all training regimes.
